

# FIELDSTONE A & E

— CORPORATE HEADQUARTERS · AUBURN HILLS, MICHIGAN —

## PROJECT SPECS

- 11,000 Sq. Ft. Under Roof

## PROJECT DESCRIPTION

This modern and sleek design utilizes a neutral color palette that combines dark, espresso-stained wood surfaces with granite and polished metal accents. Fieldstone A&E's corporate blue color accents were included to create a warm, invigorating environment.

Promoting the idea that Fieldstone's work supports the creative arts, custom abstract artworks were selected and purchased to enhance and accessorize each space and give character to the office environment.

## FIELDSTONE A&E ROLE:

- Design Concept through Grand Opening of our corporate office
- Architecture · Interior Design · Branding
