

TWIN PEAKS RESTAURANT

— SEVERAL LOCATIONS: MI, OH, TX, KY & IN —

The Twin Peaks restaurant franchise is known for its mountain lodge-style appearance from the massive beams that welcome all who enter – to the rustic furnishings and finishes. Fieldstone A&E has completed several renovations and new construction Twin Peaks projects per franchise documents. Key features of the welcoming lodge-style design include fireplace seating areas, a rustic hostess station, and garage-style doors that open to outdoor patios with cozy fire-pit areas. To date, we have provided architecture and engineering services for 11 Twin Peaks locations, spanning from Michigan to Texas, with three more in the works in Reading, PA, Strongsville, OH and Newport News, VA.
